

PC 3WP

PLASTIC CEILING LOUDSPEAKER WITH 100 V TRANSFORMER

The PC 3WP is a compact plastic loudspeaker featuring a durable plastic dome and a high-quality 3" full-range driver. Despite its small size, this 6 W speaker delivers clear and precise sound across the entire frequency range. It is primarily designed for use in public spaces with low ceilings and interiors sensitive to external visual impact. Ideal for paging and background music applications.
